

BURNEY BASIN CHAMBER OF COMMERCE

December 27, 2024

Dear Business Owner:

I would like to thank you for continuing to support the needs of our community members. It is comforting to know that you are here for all of us.

Your local Chamber office is a great first stop for visitors arriving in the Inter-Mountain Area and a wonderful resource center for residents. We also share our printed resources with the California Visitors Center in Anderson.

We will produce a printed **2025 Business Directory** in the Spring, to include businesses from Round Mountain to Bieber and Burney Falls to Old Station. If you haven't joined us in the past, I urge you to give us the opportunity to include your business in this handy resource guide that will put your business listing in the hands of community members and travelers. **Membership is not required.**

About our Membership

Membership provides opportunities to advertise your business at community fundraising events and business networking functions throughout the year. We are happy to share special events, job postings, and newsletters with our membership through our social media page and website (jpg flyers are preferred).

Our Membership Directory is available on our website at www.burneychamber.com. If you haven't already visited our website, I encourage you to browse it. There is a wealth of information available for businesses, consumers, and visitors. We encourage your participation in local events and the business economic development of the community.

I invite you to join the Burney Basin Chamber of Commerce and take advantage of the benefits of membership. Our memberships are minimally priced; however, we can take installments. We also offer discounts for your second business.

I look forward to *working for you!*

Jen Luck
Office Manager
